

local.connection_handler.
LocalConnectionHandler.server_ip

```
graph LR; A["local.connection_handler.  
LocalConnectionHandler.server_ip"] --> B["local.connection_handler.  
LocalConnectionHandler.server_ip"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'local.connection_handler.' on the first line and 'LocalConnectionHandler.server_ip' on the second line. The right box has a white fill and a black border, containing the same two lines of text. A dark blue arrow points from the right side of the left box to the left side of the right box.
